

# Environment Policy

## VisionRI Environment Policy

We, at VisionRI, recognize our role in protecting our environment in which we live, work, and raise our families. We will commit the resources to promote continual improvement in our environmental stewardship. We are aware that environmental protection and management activities are the responsibility of all managers and employees of VisionRI and each person will demonstrate this awareness when carrying out his/her duties.

A handwritten signature in dark blue ink, appearing to read 'J.P. Singh', is positioned above the printed name.

J.P. Singh  
Managing Director
